

IET K K Wagh Expo 2025 Guidelines

1. Eligibility of Projects:

- Only working project models based on hardware and software integration are eligible for participation.
- Purely software-based projects will not be considered.

2. Registration Charges:

- A registration fee of **₹500 per team member** is mandatory for participation.
- This includes working lunch and breakfast for two days, a registration kit and a certificate.
- No Lodging boarding and travelling support included. The list of nearby stay-homes and lodging boarding will be provided by the volunteers and will be made available on the website.

3. Project Grouping:

- Shortlisted projects will be grouped based on their application areas.
- The organizing committee reserves the right to categorize projects into Group A or Group B based on project evaluation and relevance.

4. Project Display:

- Participants are required to set up their working model at the designated venue during the exhibition.
- Teams must ensure all necessary components for the model's functionality.

5. Team Composition:

- Each team can have a maximum of **5 members**.
- All team members must be present during the evaluation.

6. Submission Deadline:

- Project registration and abstract submission must be completed by **15th February 2025**.

7. Judging Criteria:

- Projects will be judged based on innovation, feasibility and impact.
- The judge's decision will be the final decision.
