

IET K K Wagh Expo 2026 Guidelines

1. Eligibility of Projects:

- Only working project models based on hardware and software integration are eligible for participation.
- Purely software-based projects will not be considered.

2. Screening Round PPT Submission:

All participating teams must submit a **PPT** explaining their project idea.

The PPT must include:

- Project Title
- Problem Statement
- Proposed Solution
- Team Member Details

3. Submission Deadline:

- Last date for PPT submission: **28th February 2026**

4. Shortlisting Process:

- Submitted PPTs will be evaluated by the screening committee.
- Shortlisting will be based on innovation, feasibility, and project relevance.
- Shortlisted teams will proceed to the final exhibition round.

5. Communication

- Selected teams will receive a **confirmation email** from the organizing committee.
- Non-selected teams will also be notified.

6. Registration (For Shortlisted Teams)

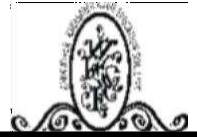

- Registration Fee: **₹599 per team member**

Includes:

- Working lunch & breakfast for two days
- Registration kit
- Certificate
- **No lodging, boarding, or travel support** is included.
- A list of nearby accommodations will be provided on the website

7. Project Grouping

- Shortlisted projects will be grouped based on application area.
- The committee may categorize projects into **Group A or Group B** as required.

8. Project Display Requirements

- Teams must install and demonstrate their **fully working project model** at the venue.
- Participants must bring all required components, accessories, and equipment.

9. Team Composition

- Maximum **5 members** per team.
- All members must be present during evaluation

10. Judging Criteria

- Project Innovation
- Technical Feasibility
- Practical Impact
- Working Model Quality
- Explanation & Presentation
- Judges' decision will be final.
